The **Victoria Falls**, also known as **Mosi-oo-Tunya** (the smoke that thunders), is one of the most incredible natural wonders of the world and popular tourist destinations in **Southern Africa**. It is located about 60 kms downstream from the confluence of the **Chobe** and **Zambezi Rivers** (where **Botswana**, **Namibia**, **Zambia** and **Zimbabwe** meet).

Measuring 1,7 kms wide and 108 metres high, the spectacular Falls has a myriad of different viewpoints and is best seen from both the **Zambian** and **Zimbabwean** sides.

**Baines River Camp** is located just outside **Lower Zambezi National Park** in **Zambia** and across the river from **Mana Pools National Park** in **Zimbabwe**. The **Zambezi Valley** is home to an abundance of wildlife and you will enjoy excellent game sightings on game drives in the **Lower Zambezi National Park** and boat cruises on the **Zambezi River**.

**South Luangwa National Park** is **Zambia's** prime wildlife destination. It is a beautiful park with diverse habitats that support an abundance of big and small game and is well known for its good leopard sightings and walking safaris in the dry season. Large concentration of animals can be found in and around the **Luangwa River** making it one of **Africa's** most densely populated wildlife reserves.
