ZAMBIA

Zambia is one of Africa's prime wildlife destinations and shares the mighty **Zambezi River** and the magnificent **Victoria Falls** with **Zimbabwe**. The **Victoria Falls**, also known as **Mosi-oa-Tunya** (the smoke that thunders), is one of the most incredible natural wonders of the world and popular tourist destinations in **Southern Africa**. It is located about 60 kms downstream from the confluence of the **Chobe** and **Zambezi Rivers** (where **Botswana**, **Namibia**, **Zambia** and **Zimbabwe** meet).

Measuring 1,7 kms wide and 108 metres high, the spectacular Falls has a myriad of different viewpoints and is best seen from both the **Zambian** and **Zimbabwean** sides.

Although **Livingstone** is the most visited destination in **Zambia**, it is the game parks of **South Luangwa**, **Lower Zambezi**, **Kafue** and **Liuwa Plains** that make **Zambia** one of the top wildlife destinations in **Africa**.

Time & Tide Chongwe Camp is located just outside **Lower Zambezi National Park** in **Zambia** and across the river from **Mana Pools National Park** in **Zimbabwe**. The **Zambezi Valley** is home to an abundance of wildlife and you will enjoy excellent game sightings on game drives in the **Lower Zambezi National Park** and boat cruises on the **Zambezi River**.

South Luangwa National Park is **Zambia's** prime wildlife destination. It is a beautiful park with diverse habitats that support an abundance of big and small game and is well known for its good leopard sightings and walking safaris in the dry season.

Large concentrations of animals can be found in and around the **Luangwa River** making it one of **Africa's** most densely populated wildlife reserves. At **Kafunta River Lodge** and **Three Rivers Camp** you will explore this special area on game drives and on foot allowing you the opportunity to witness wild **Africa** at its best.
